Dear Ms. Moore:

AMERICAN RECOVERY AND REINVESTMENT ACT
FISCAL AND PROCUREMENT REVIEW
FINAL MONITORING REPORT
PROGRAM YEAR 2009-10

This is to inform you of the results of our review for Program Year (PY) 2009-10 of the Workforce Investment Board of Ventura County's (WIBVC) financial management and procurement systems for activities funded by the American Recovery and Reinvestment Act of 2009 (ARRA) and Workforce Investment Act (WIA). This review was conducted by Mr. Larry Yanni from July 12, 2010 through July 16, 2010. For the fiscal portion of the review, we focused on the following areas: fiscal policies and procedures, accounting system, reporting, program income, expenditures, internal control, allowable costs, cash management, cost allocation, indirect costs, cost/resource sharing, single audit and audit resolution policies and procedures for its subrecipients, and written internal management procedures. For the procurement portion of the review, we examined procurement policies and procedures, methods of procurement, procurement competition and selection of service providers, cost and price analyses, contract terms and agreements, and property management. In addition, we reviewed the membership of WIBVC's Local Workforce Investment Board and Youth Council.

Our review was conducted under the authority of Section 667.410(b)(1), (2) & (3) of Title 20 of the Code of Federal Regulations (20 CFR). The purpose of this review was to determine the level of compliance by WIBVC with applicable federal and state laws, regulations, policies, and directives related to the WIA and ARRA grant regarding financial management and procurement for PY 2009-10.

We collected the information for this report through interviews with representatives of WIBVC, a review of applicable policies and procedures, and a review of documentation retained by WIBVC for a sample of expenditures and procurements for PY 2009-10.

BACKGROUND

For PY 2009-10, WIBVC was allocated: \$3,226,908 to serve 288 adult participants; \$4,999,771 to serve 1,164 youth participants; and \$5,647,185 to serve 350 dislocated worker participants.

For the quarter ending June 30, 2010, WIBVC reported the following expenditures and enrollments: \$2,408,257 to serve 650 adult participants; \$4,133,096 to serve 1,243 youth participants; and \$3,111,576 to serve 607 dislocated worker participants.

FISCAL REVIEW RESULTS

We conclude that, overall, WIBVC is meeting applicable WIA and ARRA requirements concerning financial management.

PROCUREMENT REVIEW RESULTS

We conclude that, overall, WIBVC is meeting applicable WIA and ARRA requirements concerning procurement.

In addition to the above review results for WIBVC's fiscal and procurement systems, we reviewed the membership of its Workforce Investment Board (WIB) and Youth Council (YC) for compliance. We found that WIBVC is meeting applicable WIA and ARRA requirements concerning WIB and YC membership.

This report contains no findings or concerns; therefore, we are issuing this report as the final report.

Because the methodology for our monitoring review included sample testing, this report is not a comprehensive assessment of all of the areas included in our review. It is WIBVC's responsibility to ensure that its systems, programs, and related activities comply with the WIA grant program, Federal and State regulations, and applicable State directives. Consequently, any deficiencies identified in subsequent reviews, such as an audit, would remain WIBVC's responsibility.
